PREDICTS BIG LABOR WAR.

Dr. J. M. Buckley, editor of the New York Advocate, in a lecture on "Anti-Christian, Uchristian and Christian Socialism," said:

"The great problem of human inequality is the cause of all this talk about socialism. We have in our country the rich and the other extreme—the poor. The church does not settle the question of human inequality, for there is not a church in the land worthy of the name of Christ. The law does not settle it; for a study of this subject reveals the most iniquitous condition of things. But the nation is the solution for every problem that we have to face, and I only say we to name a condition that cannot be met with there."

"Labor Unions have been the most terrible laws ever made. They made it whereby men—men who are fit to be leaders—cannot learn a trade. There is no competition in the world like the competition of the union man, excepting the competition of capital."

"Were it not for these labor unions, working men would be just where they were sixty years ago. I believe in their unions, but the members are not to be trusted. They break their contracts, and their word is of no value."

"Within an apposite space of time there is going to be a collision all around this world between workingmen and the immense aggregations of capital. It will be force and bitter fight, for a few hours or a year or two, but will end in a truce, and then the battle will go up for the laborer to lead him against the capitalist. The government will not be able to arbitrate, only to keep order. Nothing but Christianity will be able to settle this question of human inequality."

A Minister's Good Work.

"I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two doses and was entirely cured," says Rev. A. A. Power, of Emporia, Kan. "My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor. He used them for three or four days without relief, then called in another doctor who treated him for some days and gave him no relief, so discharged him. I went over to see him the next morning. He said his bowels were in a terrible fit, but they had been running off so long that it was almost bloody flux. I ask him if he had tried Chamberlain's Colic, Cholera and Diarrhoea Remedy and he said, 'No.' I went home and brought him my bottle and gave him one dose; told him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured. I think it is the best medicine I have ever tried." For sale by Richard Gibson, druggist.

James White, Bayntown, Ind., says Dr. W. H. Hazel Salvage helped rung sours on his legs. He had suffered 6 years. Doctors failed to help him. Get Dr. W. H. Hazel and Sons.
